

## INTRODUCTORY DINNER TABLE, MAY 2023

Many of us view AAPL as our professional home . . . for the last 40 years Midwest AAPL has been the setting within our home where we get to build even closer relationships, exchange ideas, and share experiences.

Continuing this vision, we add this Midwest AAPL Monthly “Dinner Table.”

Each month we’ll select a photo and up to 200 words from a Midwest AAPL Member who would like to spotlight something from their work, program, or institution. We encourage submissions such as a project, an activity, or any other local happening that could be of interest to our colleagues . . . something we would imagine sharing over, say, coffee or dinner.
